

## DiBiCoo Capacity Building Training Program

### **DESIGN, MANAGEMENT AND APPLICATIONS OF LARGE SCALE BIOGAS TECHNOLOGIES, WITH LESSONS FROM EUROPE**

**25 – 26<sup>th</sup> August 2021**  
**Ange Hill Hotel, East Legon, Accra**

***Day 1: Wednesday 25<sup>th</sup> August 2021***

Time	Topic	Speaker, Affiliation
9:30-9:40	Welcome	Mr. Lovans Owusu-Takyi
9:40-10:00	Introduction to DiBiCoo	Dr. Mutala Mohammed, Ghana Project Lead
10:00-10:40	Advancements in biogas Technology	Dr. Wondwossen Bogale, ICEADDIS, Ethiopia
10:40-11:00	<b>Coffee Break</b>	
11:00-11:40	European biogas technologies	Frank Hofmann, FvB
11:40-12:10	Discussion	Frank Hofmann & Mutala Mohammed
12:10-13:40	<b>Lunch Break</b>	
13:40-14:20	Anaerobic Baffled Bio-Digester (ABBD) technology	Dr. Andy Quashie, Researcher, CSIR-IIR
14:20-15:00	Discussion	Dr. Andy Quashie & Mutala Mohammed

***Day 1: Wednesday 25<sup>th</sup> August 2021***

Time	Topic	Speaker, Affiliation
9:30-10:10	Biogas for electricity generation	Raymond Okrofu (Ghanaian Expert) + Frank Hoffman
10:10-10:40	Discussion	Mutala Mohammed & Frank Hofmann
10:40-11:00	<b>Coffee Break</b>	
11:00-11:40	Revenue options for biogas projects	Frank Hofmann, FvB
11:40-12:10	Discussion	Frank Hofmann & Mutala Mohammed
12:10--13:40	<b>Lunch Break</b>	
13:40-14:20	Biogas Project management: Lesson from South Africa	Yaseen Salie, GreenCape, South Africa
14:20-14:50	Discussion	Yaseen Salie & Mutala Mohammed
14:50-15:10	Feedback from participants	Mutala Mohammed & Lovans Owusu-Takyi
15:10-15:20	Concluding Remarks	Mutala Mohammed, Ghana Project Lead
